

SUPPLIER MEMBERSHIP APPLICATION

SUPPLIER MEMBERSHIP

Membership in ACMA is company-based and each business unit of your organization should be represented under a separate membership per the ACMA bylaws. ACMA defines a supplier as any person, company or corporation engaged in: the manufacture of equipment (includes machine and tooling), materials (including resin, fiber, additives, molding compound, and prepreg), manufacturing aides and supplies, technology, consulting services, or processing services (including recycling and post-mold finishing) to the composites industry.
